THE BLESSING OF MARRIAGES and RENEWAL OF WEDDING VOWS

It is a long-standing custom of the church to offer prayers for the blessing of people who wish to renew their marriage vows or seek God's blessing on a marriage that was performed in a civil context or in another jurisdiction.

This may happen in the context of the Sunday morning service, or else in a private service at another time.

These services are available to all legally married couples.

If you would like to arrange a time for your marriage vows to be renewed or your civil wedding to be blessed, please get in contact so we may discuss the most appropriate form of ceremony and the best time for it to happen.
